

Position: Secretary

Enrollment #: D03497

Ayukii,

My name is Chloe King and I currently reside in the Orleans area. I am writing to announce formally my candidacy for the Karuk Youth Executive Council's Secretary position opening for the 2024/2025 year.

I have served as a member of the Kaurk Youth Leadership for the past three years. I was a district rep (now Member at Large) and this past year the treasurer. I have actively been involved in a lot of meetings and traveling conferences. I have gone to Washington D.C. and Phoenix/Mesa, Arizona. I take pride in being involved in this amazing program and want to continue to be in it. I would be a great candidate to be secretary and would be honored if I get voted in.

I am focused, very organized, and always willing to learn anything and everything. I currently hold a 4.0 and higher at Hoopa Valley High School. I take my extracurriculars very seriously. Such as, sports, college classes, and Trio UB. I am very confident that I could help the Karuk Youth Leadership thrive and stay aligned with the goals and values they have.

I am looking forward to all the great things that this new year will bring into our program and I send good prayers and energy to all my fellow youth who are also looking for a position on the Karuk Youth Executive Council.

Yôotav for all your time and consideration.
