

Position: Member at Large, Happy Camp

My name is Joaquin Aubrey and I currently reside in the Happy Camp District. I am writing to formally announce my candidacy for Member at Large of the Happy Camp District for 2024/2025.

I have served as a member of Karuk Youth Leadership for over a year and was elected the District Representative for Happy Camp in 2023/2024. I am happy to be involved in Karuk Youth Leadership and hope to serve in this upcoming school year.

I am dedicated to our program and to be involved in community service that betters our local communities. I am involved in sports and maintain good grades in school. I am confident that I could bring my skills to Karuk Youth Leadership and help improve the program.
