

Position: Member at Large, Happy Camp

Ayukî,

My name is AvaLynn Yaamach Allec and I am from the Happy Camp district. I am writing to formally announce my candidacy for Karuk Youth Council Member at Large for Happy Camp Elementary School for the 2024/2025 academic year.

I have been active in Karuk Youth Leadership for two years. I believe I would be a good leader because, I am actively involved in all meetings, events and fundraisers. I am a very outgoing, kind, strong, and a funny person but can be serious when needed. I am very involved in the Karuk Culture such as dancing, singing and I'm starting to learn more about our language. My goal is to represent Karuk Youth Leadership in a positive manner in which helps the program grow.

I am looking forward to representing Karuk Youth Leadership in a very positive, outgoing manner, and learning more about Karuk Youth Leadership to make me a better leader in the future.

Yoôtva for your time and consideration.
