

**Position:** Yreka 8<sup>th</sup> Grade Representative

**Karuk Enrollment Number:** 004712

**Name:** Issac Super

Hi, my name is Isaac Super, and I'm excited to announce that I'm running for 8th Grade Rep. I'm a member of the Karuk Tribe, and my enrollment number is 004712. Some of my interests include learning more about KYL, acting, and keeping my grades at a 3.8 or higher. I enjoy speaking in front of people, but when it comes to group discussions, I prefer to listen. If you're someone who gets nervous in crowds, I can be your voice.

My culture is really important to me. I've taught language classes at Evergreen Elementary and Jackson Street School, and I've volunteered in other classrooms to share the Karuk language. I'm also part of the Karuk Youth Dancers. I like to challenge myself in school and learn as much as I can, so you could say I'm a serious student. But I also enjoy joking around with friends when I'm not in class.

Thanks for considering me for 8th Grade Rep!
