

Position: Member at Large Orleans district

Enrollment Number-D04012

Ayukii,

My name is Allison Avila. I currently live in the Orleans District. I am writing this to announce my candidacy for Karuk Youth council Member at Large for the Orleans District for years 2024/2025.

This will be my second year with the Karuk Youth Leadership. I have been an active member and attend every event we have put on and meeting I am able to. I am very proud to be able to take part in all the wonderful activities we have done.

I believe I would be a good candidate for the opening position Member at large. I am able to be on top of everything, get the job done no matter what challenges it brings, I'm very organized and I have great ideas for this upcoming year of Karuk Youth Leadership.

I am looking forward to this new year of Karuk youth leadership and seeing all the great things that will happen. I'm wishing well for the rest of the youth running for this position.
